Billing & Fees

Please read and sign the following statement to acknowledge your understanding of my policy. Your signature does not bind you to therapy; it does hold you responsible for charges incurred.

INITIAL CONSULTATION

The initial 30-minute consultation is free of charge. This is a time for us to get to know each other and to assess if we are a good “match.” You may choose to waive the consultation and get right into doing therapy.

FEE SCHEDULE

My standard fee is \$200 per 50 minute session. **Payment is due at the beginning of each session. If we agree to go over the hour, my fees will be billed at my standard rate. Phone consultation, case management, letters, e-mails, etc. will be billed at my standard rate.**

- Individual or Family psychotherapy session (a 50-minute “hour”): \$200
- 25-minute session: \$100
- Supervised Parenting sessions are billed at the same rate (time is billed portal to portal).
- Court appearance: \$300 per hour (time is billed portal to portal). Court prep or reports are billed at \$300 per hour.
- Case management / telephone / collateral consultation (this includes: telephone calls over 5 minutes with parents or other; meetings; conversations with other professionals; reading and responding to emails, etc) - billed at same rate as psychotherapy.

CANCELLING APPOINTMENTS

I require 24 hours notice for cancelled appointments. If you miss an appointment and do not inform me 24 hours prior to the appointment time, you will be responsible for paying the missed session. Please note: my practice is full and I often have a wait list, therefore, 48 hours notice (or more when possible) is greatly appreciated. This enables me to offer people on the wait list an opportunity to be seen.
